[illegible]

The floor plan of the 1st floor shows a large rectangular building with a central corridor. On the left side, there is a large room with a staircase and a set of double doors. On the right side, there is a large room with a staircase and a set of double doors. The central corridor connects these two rooms. The plan also shows several smaller rooms and a central area with a staircase.

This architectural floor plan depicts a rectangular building layout. On the left side, there is a long, narrow corridor or hallway. To the right of this corridor is a large, open rectangular space, likely a main hall or auditorium. The top of the plan features a series of small, square rooms or offices arranged in a row. The bottom of the plan shows a series of larger, rectangular rooms or offices, some of which are grouped together. A central staircase is located in the middle of the plan, providing access to different levels. The drawing uses simple lines to represent walls, doors, and furniture, with a clean and professional appearance.

This architectural floor plan shows a building layout with a central corridor. On the left side, there is a large room with a yellow hatched area, a smaller room, and a room with a window. On the right side, there are several rooms, including a large one with a window and a smaller one with a window. The plan includes various furniture items like tables, chairs, and a sofa, as well as architectural details like doors, windows, and a staircase.
